

Kansas State Rabbit Breeders Association

TEAM PARTICIPATION APPLICATION 2020

Each year Kansas offers all youth the opportunity to work together, learning about the rabbit project, studying breeds and varieties recognized by the ARBA. From these youth, teams are put together to represent the state at the current American Rabbit Breeders Association Convention. ALL youth that are interested in working together should submit this application. Those that are able to make the trip to the 2020 convention will be eligible for a team. If an application is not on file, a youth cannot be considered for a team.

Membership in KSRBA and ARBA is required.

Qualifying contests and additional information about youth activities will be posted on the KSRBA website throughout the year.
